

Kaushambi Mate

M.A. ARCHITECTURE

Telgte, NRW | connect@kaushambimate.com | www.kaushambimate.com | linkedin.com/in/kaushambimate

Profile

Interdisciplinary designer with experience in complex planning processes, building within existing structures (Bauen im Bestand), logistics and infrastructure buildings, as well as concept-driven design. My work combines analytical thinking, architectural design, visual communication, and cultural research. Alongside my work in architecture and construction, I work on projects at the intersection of architecture, branding, cultural analysis, and visual strategy.

Professional Experience

ARCHITECTURAL DESIGN & PROJECT PROCESSING

PGSJ Planungsgesellschaft mbH | Münster | 2024–Present

Design and planning of logistics and industrial buildings, as well as contributing to the advancement of digital workflows within the office.

Project Work

- Planning and modeling of logistics and industrial buildings within BIM-based project frameworks.
- Interior design of administrative and workspaces for staff and management in logistics centers.
- Integration of functional and technical requirements into complex building structures.
- Collaboration in interdisciplinary design teams across various project phases.

BIM-Supported Planning

- Model-based design using Revit within BIM-oriented project frameworks.
- Implementation of internal BIM standards and model organization.
- Processing and tracking coordination points via Dalux and BIMcollab in cooperation with BIM management and specialist planners.

Digital Office Structure & Knowledge Management

- Setup and structuring of a SharePoint-based intranet for internal communication and knowledge organization.
- Development of a project database structure to improve documentation and data retrievability throughout the project lifecycle.
- Creation of onboarding pages for new employees and structuring of internal knowledge content.
- Production of tutorial and training videos (including for BIM and AI teams).

Digital Development & Innovation

- Collaboration within the BIM team to further develop internal Revit structures and templates.
- Creation of sample workflows (Revit / Dynamo) for internal training purposes.
- Co-initiator and founding member of the internal AI initiative, including setting up exchange formats, tool evaluation, and developing initial use cases for AI in design and knowledge processes.

Internal Communication & Design

- Contribution to corporate presentations, team formats, and visual communication materials.
- Support in developing and applying brand guidelines and visual standards.
- Involvement in the further development of PGSJ brand guidelines and visual communication tools.

ARCHITECTURAL DESIGNER / SPECIALIST IN EXISTING STRUCTURES

RKW Architektur + | Düsseldorf | 2022 – 2024

Contribution to the design and realization of complex construction projects in institutional and university contexts.

Key Focus Areas:

- Concept, detailed, and execution planning (Entwurfs- und Ausführungsplanung).
- Façade design and detail development of the building envelope.
- Model-based planning and technical coordination within interdisciplinary design teams.
- Planning of campus buildings and renovations of existing structures.
- Interior design for office spaces, seminar rooms, media/sound labs, and specialized technical rooms.

Projekte:

- Core renovation of Building 23/11–12, Heinrich Heine University Düsseldorf.
- New construction of Cube 3, RWTH Aachen Campus Hörn.

ARCHITECTURAL PLANNING SPECIALIST

Jourdan Müller Steinhauser – PAS Architekten | Frankfurt am Main | 2017–2022

Planning and implementation of projects in the field of heritage conservation, as well as the renovation and extension of existing buildings.

Responsibilities:

- Concept design and execution planning.
- Façade planning.
- Interior architecture.
- Competitions and project acquisition.
- 3D clash detection and visualization.
- Coordination with specialist planners and clients.

Selected Projects:

- Extension and core renovation of the Landwirtschaftliche Rentenbank, Frankfurt.
- Fire safety renovation of the Alte Oper Frankfurt.
- Renovation and modernization of the residential building Saalgasse 24, Frankfurt.
- Competition for the Römerbrücke combined heat and power plant, Saarbrücken.

ARCHITECT

Khushalani Associates | Mumbai | 2013–2014

Contribution to the design and realization of high-end residential and commercial projects.

Responsibilities:

- Design development and conceptual planning.
- Architectural and interior design.
- Detailed planning and fit-out design for interiors.
- Coordination within the design team and with clients.

Projects include:

- Collaboration on architectural and interior design for luxury villas and private residences.
- Interior design concepts for private clients.
- Residential complexes and commercial development projects.

ARCHITECT / ARCHITECTURAL CONSULTANT

Prem Nath & Associates | Mumbai | 2013

Project planning and design work for:

- Residential townships
- University buildings
- Urban development projects

JUNIOR ARCHITECT

Associated Architects | Mumbai | 2012–2013

Contribution to architectural projects in the areas of:

- Residential construction
- Hotel construction
- Integrated urban districts
- Medical facilities

Additional Professional Activities

BRAND DESIGNER / VISUAL STRATEGIST

Freelance | 2024–Present

Development of visual identities and brand strategies for companies, cultural institutions, and real estate projects.

- Services: Brand development and visual identity, editorial design, packaging design, digital communication materials, creation of brand guidelines.

INDEPENDENT RESEARCHER / CO-AUTHOR

Freelance | 2015–Present

Vernacular Branding (Research Publication)

- Co-author of a research-based visual publication on identity, cultural memory, and postcolonial representation in contemporary branding.
- Analysis of the circulation of cultural forms in local and global design economies through visual analysis and speculative inquiry.

CREATIVE PARTNER (VOLUNTEER)

Envisionar Design Atelier | Nagpur / Part-time Remote | 2017–2020

Voluntary contribution during the early development phase of a design-oriented branding and marketing studio (family business). Contributed to the development of the brand identity, visual language, and digital presence.

- Key Focus Areas: Brand strategy and visual identity, digital communication, and portfolio development.

RESEARCH COLLABORATION

GenieBerakademie | Frankfurt / Part-time | 2015–2020

Interdisciplinary research work on the relationships between architecture, gastronomy, and urban culture, serving as an extension of my Master's thesis.

- Key Focus Areas: Observation-based urban research, development of visual and textual research formats, analysis of social and cultural practices in urban spaces.

TECHNICAL SPECIALIST

3Dimensions Service GmbH | Frankfurt / Part-time | 2015–2016

Technical support for: 3D printing, 3D modeling, digital prototype development.

ASSISTANT PROFESSOR

J. Institute of Architecture, RTM Nagpur University | 2017–2018

Teaching architectural theory and history of contemporary architecture, as well as contributing to the development of courses and seminars.

Education

MASTER OF ARTS IN ARCHITECTURE

Städelschule Architecture Class | Staatliche Hochschule für Bildende Künste, Frankfurt | 2014–2016

- Award: AIV Best Master Thesis Prize 2016
The Master's thesis received special recognition from a jury and stood out for its experimental combination of architecture, media, and social practices.

BACHELOR OF ARCHITECTURE

Rachana Sansad's Academy of Architecture, Mumbai | 2006–2012

- Nominated for the Charles Correa Gold Medal for Best Thesis.

Professional Development & Engagement

2026	Autodesk Learning Center: Design Collaboration, Forma Build & Forma Data Management
2025	Planner Symposium - Façade Frameworks - Sustainable and Eco-Friendly Building
2025	LinkedIn Learning Courses: Understanding Logistics, Industry 4.0: Insights & Experiences from Industry Experts, Foundations & Ecosystems
2024–2026	Annual Symposium: "AI & Architecture" at AMM Bochum
2024	Webinar: Drywall in Existing Buildings, Rigips / Isover Saint-Gobain
2024	Seminar: Sustainability in Existing Buildings, DGNB (German Sustainable Building Council)
2023–2024	Online Course: AWS Cloud Services (LinkedIn Learning)
2022	Revit Online Seminars, Forinitas AG
2019	Competition – Shortlisted, Paris Affordable Housing
2018	Project Exhibition, A Tale of Two Cities, Studio Kai, Frankfurt am Main
2017	Project Exhibition & Publication, ERRE Symposium Estranged Realities, Casa da Xiclet, São Paulo
2015	Seminar: Architecture as/and Medium, Institute of Art History, Goethe University Frankfurt
2012	UDRI Vertical Studio Study: Mumbai Profiles (for the Greater Mumbai Development Plan 2013)
2011	Workshop: Open Spaces – Land Use Study, MMRDA Mumbai
2010	Workshop: Vernacular Architecture Processes – Bamboo Workshop, Auroville
2007–2009	Student Competitions and Awards (Reubens Trophy, Nari Gandhi Trophy, LIK Trophy; NASA India)

Professional Registration

Formerly Registered Architect
Council of Architecture (COA), India
License No. CA/2013/60031 | Valid 2013–2024

Languages

- English – C2 / Native
- German – B2 / Professional working language
- Hindi – C1 / Native
- Marathi – B2
- Bengali – B2

Personal Competencies

- Conceptual and analytical design strategies
- Interdisciplinary collaboration
- Complex planning processes
- Visual communication and presentation
- Research and conceptual analysis
- Bridging design, strategy, and cultural context

Digital Competencies & Software

Architecture, BIM & Planning

- Revit
- AutoCAD
- Rhino
- Grasshopper (Basic knowledge)
- With SketchUp
- Enscape (Real-time visualization)
- Twinmotion (Basic knowledge)
- Dynamo (Basic knowledge)
- BIM collaboration tools (Dalux, BIMcollab)

3D Modeling & Visualization

- Blender
- V-Ray
- 3D printing workflows and digital model prototypes
- 3D Scanning

Graphics, Layout & Presentation

- Adobe Illustrator
- Adobe Photoshop
- Adobe InDesign
- Figma (Layout, presentations, visual systems)
- Presentation design for architectural projects, competitions, and internal communication

Video & Digital Media

- Clipchamp (Tutorials, training videos)
- Adobe Premiere (Basic knowledge)

Web & Digital Communication

- WordPress, Wix, Squarespace
- Framer Webflow (Basic knowledge)
- Portfolio and content structuring
- Digital brand communication and visual systems

Digital Infrastructure & Collaboration

- Microsoft 365 / SharePoint
- Setup of an internal SharePoint intranet structure including a project database
- Development of onboarding pages for new employees
- Creation of tutorial and training videos for BIM and AI teams

AI-Powered Work Methods

- Midjourney (Image generation and visual concept development)
- Google Gemini (Research, structuring, conceptual content)
- Gemini CLI (File structuring and workflow organization)
- HeyGen AI (Creation of training videos and tutorials)
- Experience in the experimental integration of AI tools into design, communication, and knowledge processes within an architectural firm

Specialized Expertise Details

Digital Office Structure & Knowledge Management

- Setup and Structuring of a SharePoint-based Intranet: Strategic development of a central platform for internal communication and knowledge organization for 40–50 users.
- Development of a Project Database Structure: Implementation of a system for improved documentation and rapid retrieval of project information across the entire lifecycle.
- Onboarding & Knowledge Transfer: Creation of structured onboarding pages for new employees and conceptual design of internal knowledge content to reduce training times.
- Production of Training Media: Creation of video tutorials (e.g., for BIM and AI workflows) to standardize internal office processes.

Mentoring & Knowledge Sharing

- Mentoring and onboarding new team members as well as working students (Werkstudenten) regarding design processes, software workflows, and project structures.
- Supporting the transfer of knowledge on BIM structures & strategies, digital design processes, and interdisciplinary collaboration.
- Contribution to the development of internal knowledge structures (including the BIM organization and AI initiative at PGSJ).

Experience in BIM & Digital Project Delivery

Integrated BIM Design & Modeling (German HOAI Phases 1–5)

- Model-Based Concept and Execution Planning: Continuous 3D geometry creation and information modeling with Autodesk Revit for complex, large-scale structures.
- Clash Detection & Quality Management: Proactive 3D clash detection, tracking, and coordination of multidisciplinary coordination points via Dalux and BIMcollab to ensure design quality.
- Automation & AI Integration: Experimental optimization of BIM processes through visual programming with Dynamo, alongside evaluating pioneering AI plugins (BIMLogiq Copilot, Glyph, WiseBIM) to automate routine workflows.

Platforms, Data Management & CDE (Common Data Environment)

- Cloud-Based Collaboration: Cloud modeling, rights management, and clash detection via Autodesk Forma (ACC) in direct exchange with clients and specialist planners.
- Project Platforms: Project execution and standardized data exchange via established CDE platforms such as Thinkproject and Trimble Connect.

Interdisciplinary Coordination & Typologies

- Industrial & Logistics Buildings: BIM-supported spatial and functional planning for high-tech logistics centers, production areas (e.g., meat processing facilities), and administrative zones under strict technical and regulatory requirements.
- Institutional Buildings & Special Rooms: Modeling and technical system integration for large-scale university projects (including RWTH Aachen, HHU Düsseldorf), including specialized technical rooms, sound laboratories, and flexible office landscapes.

BIM Tools & Software Ecosystem

- Modeling & Scripting: Autodesk Revit, Forma, Rhino.
- AI & Automation Plugins for Revit: BIMLogiq Copilot, Glyph, WiseBIM, PyRevit.
- 3D Clash Detection, Coordination & Validation: Dalux, BIMcollab.
- Common Data Environments (CDE): Thinkproject, Trimble Connect, Autodesk Forma / ACC.
